PM Villanueva joined the Board meeting with his arrival at 3:03pm.

Review of Meeting Minutes September 12, 2017, was circulated for review. The following comments were noted:

VC Ruth noted page 5 of 7, second paragraph. To strike the third sentence in its entirety; as it is an unqualified statement. Specifications to the Simon Sanchez bid were never given to the PEALS Board for review.

VC Ruth noted page 7 of 7, “Closing Comments.”, first paragraph, first sentence, “...BM Provido would be moving on to another...”. To eliminate “moving” and “to” and restructure the sentence to read, “...BM Provido will be a member of another Governmental...”

BM Santos noted page 2 of 7, second paragraph, “...Exam Booklets hostage for....” To eliminate “hostage.” PM Villanueva suggested to now state “...refrained from providing testing materials.”

BM Santos noted page 3 of 7, first paragraph, fourth sentence to be corrected to read. “...payments, but stopped...” “shopped” to be corrected to “stopped.”

BM Santos noted page 6 of 7, first paragraph, first paragraph, “...indicated...,” should be corrected to read “indicted.”
It was moved by VC Ruth and seconded by BM Santos, and unanimously carried to accept the meeting minutes with the corrections as mentioned above.

3.4 Board Administrative Activities: 09/06/17 – 11/06/2017

EBA Borja reviewed PEALS FY17 Revenue and FY 16 Previous Year Comparison sheet which indicates revenues were exceeded by $18K compared to this similar time period last year. The difference in revenue is due to the early renewals.

PEALS Budget for FY2018 given by the General Fund is $310,650 with authorization to roll funds from previous years deposits in the amount of $31,445 for a total of $342,095 Per P.L. 32-42.

Pages 18 and 19 provide the breakdown of revenues generated from October 2016 through September 2017.

Pages 20, 21 and 22 show the Bank of Hawaii Activity and Statements for September and October 2017. No checks were issued during this time frame. The ending balance of the account as of 31, October 2017 is $4,117.64.

With no further comments, EBA Borja concluded his report to Board members.

2.a, EBA Borja prepared a first bi-annual report showing the reconciliation of registrants as of 9/30/2017 for Board verification per pages 28 – 29. BC Jugo is requesting a further breakdown of COA per Licensing year. Sec. & Treas. Cristi noted the need for clarification for individuals paying twice; by stating “paid twice in the fiscal year 2017” and footnote “Board Member(s) who are employed by the Government of Guam are exempt from paying professional licensing renewal registration fee.” for clarification. 2.b is currently in progress. 2.c EBA Borja still working on this.

When corrective actions are implemented in accordance with the Audit Report and with the Board’s acknowledgment/approval, a copy of this final report will be forwarded to the Public Auditor.

Mr. Atalig instead requested to be allowed to come before the Board and speak. Mr. Atalig was on today's agenda, although Atalig replied with another letter to the Board dated November 6, 2017, to re-schedule as he was not able to attend until Meliton S. Status quo from the last meeting as AAG Keeler was not present at today's meeting.

which it reduced to $3,500.00 on March 21, 2011. This negotiated settlement was never reduced to writing or pursued in court. Ms. Perez made a few payments, but stopped in 2014”. “...we believe that the fine is unenforceable because the longest pertinent statutory period of limitations on Guam is four years.”

In regards to Mark J.B. Arceo a letter from the Attorney General Office dated August 2, 2017, notes “...is closing its file, in this case, effective today. The judgment entered against Mr. Mark J.B. Arceo expired on January 11, 2016, five years after it was issued.”

Levison holds an NCARB record no. 438814 and has completed the AXP (formally known as IDP) in September 2010.
