Item 4. EBA Reports and Updates

4A. Board Administrative Activity from January 06, 2018 thru February 15, 2018, were reviewed and
acknowledged by Board members. Present revenue exceeds expenses although checks for PEALS rent and other payables have yet to be issued due to government revenue shortfalls.

Listing for a reconciliation of COA is still pending and was not issued to OPA. EBA Borja did submit a copy of individual registrants. QuickBooks courses are pending GSA’s procurement. Most classes are available, but if attendee minimums are not met, the course is dropped. EBA Borja to continue to coordinate with GSA and to retain a file to show PEALS efforts in this regard. Simplifications of PEALS fee schedule was submitted to the Board today for their comments and review. BC Jugo stated to clarify initial 6 months, prorated fee of $125. Sec. & Treas. Cristi noted grammatical error “Retire” should read “Retired.”

New Fee Schedule format will be submitted with Rules & Regulations to the Legislature in preparation of Triple-A procedures for full implementation.

4D. File/Record Keeping, Office Expansion – Status Quo from the last meeting

EBA Borja has yet to submit a draft to AAG Keeler. Confirmation of final PEALS Record/File Retention SOP will be given at the next meeting.

Mr. Martinez gave clarification at today’s meeting too, a) waived request for a hearing of this regard, and b) admitting to the error of premature signing as a design firm. Since it has been over four years from the last exam and after careful review of his file and consideration of his hardship, Board concurs that Mr. Biscocho must re-apply as required administratively to begin taking the 5.0 ARE version. Board did not give exemption. EBA Borja to advise candidate accordingly.

Item 7C. COA Application N15 Guam, Inc. – Responsible Managing Employee (RME) for two Firms

A letter from Mr. Renato “Tato” Osemema Martinez RA441 was received on February 09, 2018, requesting his transfer as an RME from R.O. Martinez Architect LLC COA#388 upon completion of Board approval for the design firm N15 Guam Inc.

Mr. Martinez, being present at today’s meeting explained in detail his intent. BC Jugo explained administratively it is required that he withdraw as an RME for R.O. Martinez Architect LLC first in order to proceed with the review of N15 Guam Inc. This would not dissolve R.O. Martinez Architect LLC, only remain inactive without an RME.

SB. Complaints: R.O. Martinez Architects LLC Case #2017-002 (Part II)

In continuation to above item 7C, and SB part I, the following discussion ensued.

Since a hearing was waived, the Board discussed this case severity with previous cases that have come to the Board and noted the following:

*Coming before the Board and showing remorse,
*Proving representation as a sole proprietor and not as a design firm,
*Proposed $500 fine for the oversight, and place Martinez on probation period of three years. Once the third year has expired, with no addition, the Board will expunge said fine from FEALS disciplinary records. Nothing stated on NCARB Records or any other state.

Motion: Sec. & Treas. Cristi
2nd: BC Jugo

Motion: Failed 3/2 (VC Ruth and BM Provido Abstained)

Discussion: BM Provido requests for more time to review the files of Mr. Martinez, as this is not the first time Mr. Martinez has come before the Board and the proposed fine might not apply. If a vote is to be taken, she will abstain on these grounds.

Board moved to act on its first grant of extension, to case #2017-002 to 90 Days, effective today 2/20/2018.

1st Motion: VC Ruth
2nd: BM Provido
