Bl Isaac noted he was called to a meeting, Thursday, March 28, 2019, to the Attorney General’s office by the Assistant Attorney General, Monty May. Mr. Blas Atalig would also be present at the meeting. This case was referred to the AG’s office for collection per decision made on #2017-002 and Mr. Blas Atalig has contested it through the AG’s office. Assistant Attorney General May has been tasked with filing an action to collect said fine. AAG Keeler and Bl Isaac will follow up with AAG May on the status of this case and report to the Board.

BM Villanueva joined the Board Meeting with his arrival.

4.B Christopher F. Fryling, N15 Architects proposal prior to Board Approval of COA Case #2018-004 – Status: Closed

4.C Jose C. Benavente vs. Paul L. Santos, PLS #053 Case #2018-006

Bl Isaac reported three candidates: 1) Gavino Aguilar Estur, PLS 085/TG Engineers, 2) Elmer M. Pineda, PLS #082, and 3) Ray Cruz PLS 073/ControlPoint Surveying, Inc. were interested in assisting the Board on this endeavor. Mr. Jose C. Benavente selected Elmer M. Pineda, PLS #082 to perform an independent consultation of this case.

BM Santos removed himself from the presence of the Board Meeting.

BM Provido states entertaining this case will set a precedent for all No Merit Cases. BC Jugo states this is a different situation as Case #2017-002 calls out for alleged bias between Board Member Santos and EBA Borja. BM Provido citing the PEALS Board only has jurisdiction on registrants and not the EBA. Alleged bias of the EBA should be addressed by the Attorney General’s Office. BC Jugo stated the Board reviewed case #2016-010 and found the case to have No Merit. The decision was made, and another complaint was filed with a grievance to the EBA and BM Santos.

VC Ruth moved to agree with the selection and proceed with Elmer M. Pineda PLS #082, selected surveyor of Mr. Benavente.

Motion: VC Ruth
2nd: BM Villanueva
Vote: 3/3 Motion Failed

BC Jugo moved to have the Board select a surveyor, and proceed with one of the surveyors presented by Bl Isaac. The Board is to evaluate the three, reject and select a candidate to review technicality of the case.

Motion: BC Jugo
2nd: BM Provido
Vote: 3/3 Motion Failed
Sec. & Treas. Cristi moved to select Gavino Aguilar Estur, PLS 085/TG Engineers.

Motion: Sec. & Treas. Cristi
2nd: BM Provido
Discussion: Conflicts of interest were immediately noted for the selections of either Mr. Estur, who is employed by the same company as BC Jugo, and Mr. Cruz as having worked with Mr. Santos in the past at the Department of Land Management.
Vote: 3/3, Motion Failed

BM Provido motioned to revisit complaint of Case Number #2018-006 and determine if the complaint is applicable to the EBA or should it be forwarded to the Attorney General’s Office. Stating the EBA had acted within his authority. His decision is being challenged, noting alleged bias instead of evidence, and should be addressed by the AG’s office. BM Provido requests a Special Meeting based on the solicited advisement from our Legal Attorney, AAG Keeler before our next scheduled meeting. BC Jugo to send a letter to Mr. Benavente of Special Meeting Date should motion pass.

Motion: BM Provido
2nd: VC Ruth
Vote: 6/0, Motion: Passed

Tentative Selected Special Meeting Date: Friday, April 26, 2019 - 3:00 PM

PB2019-001 APC Construction LLC (Thomas San Nicolas) vs. Jerry B Estrella PE ME 1485/FPE1680 complaint was received on 1/18/2019. Mr. Estrella, PE holds a valid license until April 30, 2019. 5.B PEALS Code of Ethics

VC Ruth reviewed Guam PEALS Board dilemma regarding the Sherman Act, as it applies to Guam, at the National Council of Architectural Registration Boards (NCARB) Regional Summit held on March 7-9, 2019 at Nashville. NCARB’s general consensus stands that there is an Ethics Commission on Guam and, to refer it to them for this decision on whether it applies.

VC Ruth moved to follow through with NCARB’s suggestion: to be reviewed by the Ethics Committee. Since then, other Boards from the jurisdictions of North Carolina, Arizona, Colorado, Illinois, Nevada, and Florida had imposed actions of either a fine or request for voluntary relinquish of license forever.

At the PEALS Regular Board Meeting held on January 22, 2019, the Guam PEALS Board did not make any decisions in this matter until the folder is available for individual Board member’s review. Blair’s file to be complete with an original letter of Stipulated Agreement by the Texas Board as well as other states mentioned above, as the original verdict stood as the foundation for additional adverse actions were not included in the agenda packet. EBA Borja was to circulate Mr. Blair’s folder for individual Board review and recommendation.
